## INSTALLATION

Drain should be installed first.

**DROP-IN:** Cut opening large enough for the sink to be "dropped in" to countertop.

**UNDERMOUNT:** Cuts in countertop are up to the discretion of the installer. Clips or other installation method must be provided by the fabricator/installer. Use 100% silicone to adhere sink to countertop. Clean any excess silicone from sink surface to avoid damaging the finish.

## CARE

This sink has a living finish which will change with time and use. Use mild soap and water for everyday cleaning. Avoid any harsh abrasives, acidic cleaning products and antibacterial hand soap. A paste wax may be applied periodically to protect the finish and help with water spotting.

## WARRANTY

Linkasink warranties our product to be free from manufacturing defect for the life of the product. Warranty does not cover improper care or abuse/neglect, or changes to the living finish.

### DIMENSIONS WILL VARY

**DO NOT** use this sheet as a guide for countertop cuts. Due to the handmade nature of each product, templates are not provided.
